

Apartment Association of Metro Denver

- ▶ Destiny Bossert, Government Affairs Manager for AAMD
- ▶ We monitor proposed legislation and local ordinances for over 40 municipalities and at the State Capitol
- ▶ Our purpose is to educate and lobby on behalf of our industry
- ▶ Work with community leaders and ever evolving local, state, and federal government officials as well as stakeholders to find solutions on issues that affect our communities.
- ▶ The Apartment Association of Metro Denver is among the largest multifamily housing trade associations in the country, representing and supporting over 336,000 apartment homes in Denver.
- ▶ AAMD is a non-profit trade association representing owners, developers, management companies, and vendors of the multifamily rental housing industry.
- ▶ AAMD offers a strong network of information, education and representation of the multifamily housing industry.
