

# SUMMIT FOR RECYCLING

June 15 & 16, 2021 | Virtual Event

RECYCLECOLORADO.ORG

## Elevating the Value Proposition

The benefits of recycling go beyond the basics of conserving natural resources. They include increasing economic security, mitigating climate change, and supporting local supply chains. The 32nd annual Summit, June 15-16, will bring together experts to share why and how to effectively invest in and further commit to recycling and circularity in Colorado.

## Education

### Topics

- Innovation, Adaptation and Emerging Trends
- Fighting Climate Change in Colorado
- Can Disposal Bans Help Develop End-Markets in Colorado?
- Digging Into C&D Programs Nationwide
- Effective Models for Modern Collection Systems
- Filling the Gaps in Our Compost Infrastructure
- Compost End-Market Development
- Legislation Producing Results! Recycling in Colorado

## Special Guest

**Suzanne Shelton of the Shelton Group**  
Americans Expect a Lot – How Should Brands and the Recycling Industry Respond?
