

WORLD WITHOUT WASTE

Mike Bernier
Director, Sustainability and Environmental Affairs
Swire Coca-Cola, USA
June 10, 2019

A WORLD WITHOUT WASTE IS POSSIBLE

Help collect and recycle a bottle or can for every one we sell by 2030

Make all of our packaging 100% recyclable by 2025.

Make our bottles with an average of 50% recycled content by 2030

THANK YOU!
